GCSE Mathematics

About the Course

Start Date: September 2025   **End Date:** June 2026

Course Length: 2 sessions per week over 29 weeks.

The course is blended so one session per week will be in the physical environment and one session per week will be online in a Google Meet.

You will need to pass three GCSE Maths exams; two calculator and one non-calculator exam. The qualification is accredited by AQA.

There is approximately 4 hours of homework per week.

Course Learning Outcomes

- Develop the skills needed to answer questions across a range of topics. You will focus on Number, Algebra, Geometry and measures, Probability and Statistics. You will sit three separate papers in which content from any part of the specification may be assessed.
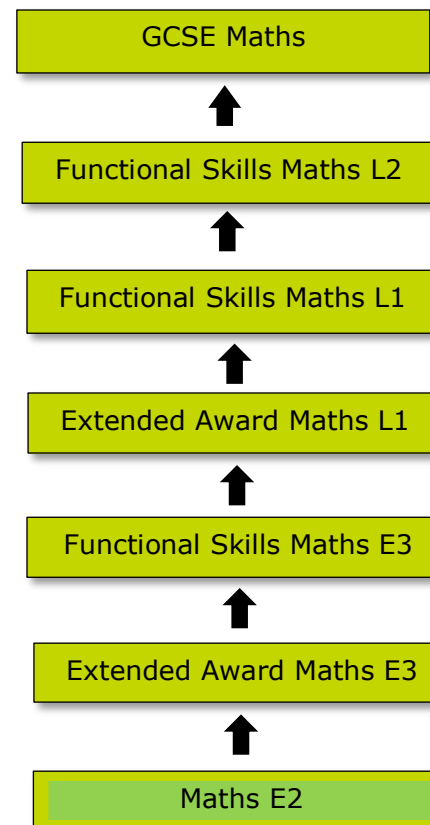

__Please note:__ To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

- You will need an initial assessment.
- Access to a laptop or tablet with internet, camera and microphone.
- You need to have English skills at Level 1 or above.
- You need to have Maths skills at Level 1 but preferably Level 2.

If you need any additional support, please call us.
