About the course

They say that the eyes are the window to the soul, and this course is focusing completely on makeup techniques of the eyes. You will learn about different eye shapes makeup products and brushes and how to select makeup looks

according to eye shape, occasion and dress. You will gain confidence in applying glitters and false eyelashes; strip lashes, magnetic lashes and individual lashes. You will practice with different styles of eyeliners, how to apply gel, liquid and pen liners.

This course is part of our specialist course offer in the beauty subject, designed to support our learners to build makeup skills for professional and personal development. To do this course, you should have the foundation skills for makeup artistry, either through completion of our beginners course or from other experience. After completing this course, you can enrol on a progression course with us to gain more confidence in your technical skills.

What will I learn?

After this course you will be able to:

- Identify different eye shapes and design makeup looks accordingly
- Shape eyebrows with the use of makeup
- Select suitable lashes for different makeup Looks
- Create different looks of eyeliners, for example *wing*, *Arabic* or *thin liner*.
- Apply strip and individual false eyelashes with glue, and magnetic lashes (without glue)
- Prepare and use makeup and application tools in a hygienic and safe manner
- Clean and store makeup and application tools in a hygienic and appropriate manner
