

Performance Skills – Working in the Industry (Practical)

About the Course

This course is part of our Creative Writing & Drama learning programme aiming to enable you to unlock your creativity with written words, acting and stagecraft.

This course will give you the skills and confidence to further your knowledge and understanding of the performing arts industry as well as refine your practical skills.

Course Learning Outcomes

- Recall and summarise historical developments in the performing arts industry but also demonstrate an understanding of how these historical aspects have influenced contemporary practices.
- Go beyond performing monologues or scenes and demonstrate a deeper understanding of the audition process by incorporating industry-specific techniques.
- Critically analyse current industry trends and challenges but also propose practical solutions based on your analysis.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course:

- This course is for intermediate to advanced learners with previous experience in performance skills/drama courses who are now looking to further advance their performance skills/drama.

If you need any additional support, please call us: 020 8583 6000
