

Creative Writing - Developing Creative Writing

About the Course

This course is a part of our Creative Writing & Drama learning programme aiming to enable you to unlock your creativity with written words, acting and stagecraft.

This Creative Writing Improvers course is designed for writers who want to build on their foundational skills. Through a combination of guided exercises, peer workshops, and critical analysis, you will develop your storytelling techniques, deepen character development, and explore more complex narrative structures for poetry, prose and script writing.

Course Learning Outcomes

By the end of this course, learners will be able to:

- Refine narrative techniques to create compelling and immersive poetry, prose, and scripts.
- Develop complex characters and themes that enhance the depth and emotional impact of their writing.
- Apply advanced editing and revision strategies to elevate their work to a professional standard.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course

- This course is for beginners with some or no previous experience as well as for those who have taken creative writing courses before and are now looking to further improve their writing skills.
