

About the Course

This 16-week qualification provides a basic, introductory set of knowledge and skills relevant to health and care.

Learning outcome 1: Person centred support in health, social care, in children and young people's and adults' settings.

Learning outcome 2: Supporting healthy eating and drinking in health and social care.

You will learn a variety of transferable skills needed for working in a health and social care environment.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

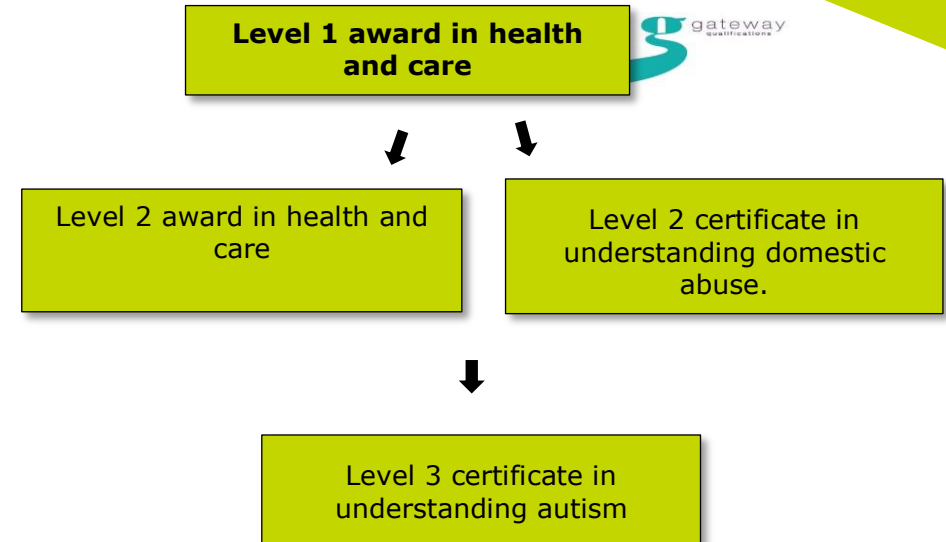

What is needed for the course?

- You will need an initial assessment, where we will ask you to complete some tasks.
- We will also ask you some questions to be able to support you better with your studies.
- You need to have writing skills at English Entry Level 3 or above.
- You may be issued with 2 – 3 hour of homework per week.

There are no specific recommended prior learning requirements for this qualification.

If you need any additional support, please call us: 02085836000.
