

## Make Up Artist – Advanced Skills

---

### About the course

This exciting and intensive course will develop your existing makeup skills towards a more professional direction, to prepare you for further education and/or employment. We will focus on hygiene and adjustments to various skin types; Perfecting foundation, contouring and highlighting techniques; And explore eye looks, including the application of false lashes, and other techniques. We will also explore the skills needed in makeup for photoshoots.

This course is part of our specialist course offer in the beauty subject, designed to support our learners to build makeup skills for professional and personal development. This is a beginners course, open for learners with no prior experience, with the aim to go into the beauty sector as a professional pathway. After completing this course, you can enrol on a progression course with us to gain more confidence in your technical skills.

***\*If you are unemployed, looking for work, and are in receipt of a means tested benefit, you do not have to pay the course fees. You will need to sign a self-declaration form stating that you are looking for a job and provide supporting evidence.***

***\*If you are in low paid employment and you earn less than £10.85p/h or £21,157.59 annual gross salary, you do not have to pay the course fees. You will need to provide proof of income, for example, this could be a wage slip within 3 months of the course start date, or a current employment contract, which states gross monthly/annual wages.***
