

Floristry - Summer Arrangements

About the Course

This course is part of our Floristry Specialist Programmes, designed for those interested in developing the skills and techniques needed for a career in floristry or related fields within the Creative Industries. It is suitable for both complete beginners and those with a bit of prior experience in floristry. While there are no specific entry requirements, some experience in flower arranging can be beneficial.

Course Learning Outcomes

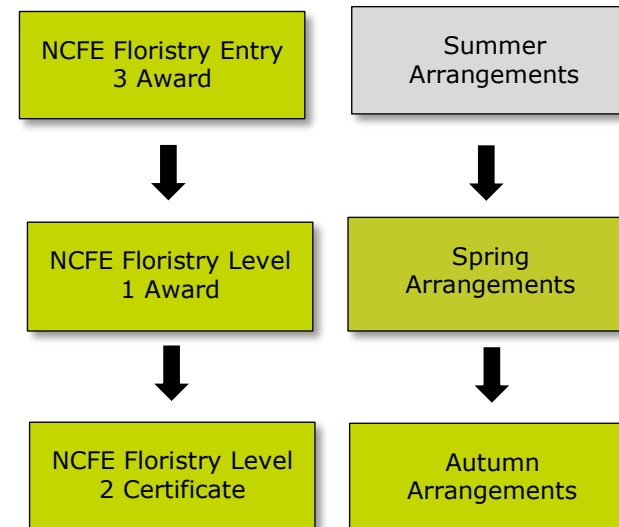

- Be able to use floristry materials, tools and equipment to develop basic floristry techniques
- Create many different Summer flower arrangements
- Maintain a safe working environment

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course:

For this course, you'll need to bring your own flowers and foliage to each lesson. HACE will provide certain tools and basic materials needed for your arrangements. For your first lesson, please bring a mixed bunch of any flowers and foliage. As the course progresses, your tutor will guide you on the specific materials needed for each lesson.

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
