

Floristry – Discovering Dahlias

About the Course

This course is perfect for complete beginners and those with some experience in gardening. Join us for a one-off workshop where you'll learn the fundamentals of planting dahlias. You'll gain hands-on experience in selecting, planting, and preparing your dahlias for growing. All materials are included in the price.

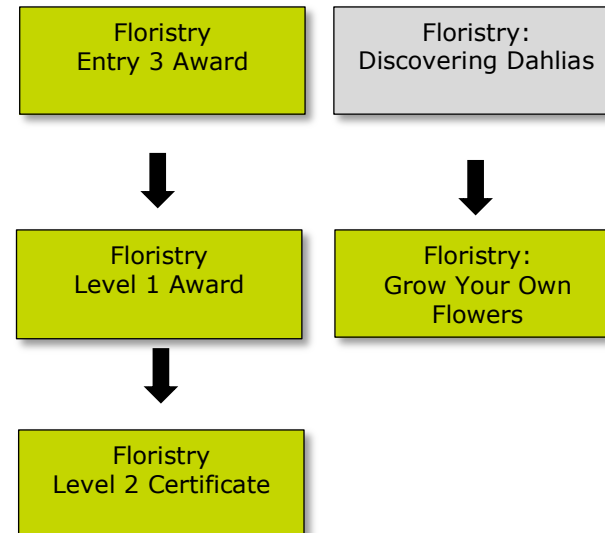

Course Learning Outcomes

- Understand the best soil and conditions for growing dahlias
- Gain knowledge on early care and maintenance for your plants
- Learn how to plant dahlias
- Maintain a safe and effective planting environment

What is needed for the course: HACE will provide you with tools and materials needed for this class.

If you need any additional support or have any further questions, please call us: 0208 583 6000.

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
