

Jewellery – Beginners Essential Skills

About the Course

On this course you will learn simple and practical techniques to create jewellery pieces that make use of beads, findings and metal. You will develop core skills through a variety of guided projects.

The course is suitable for complete beginners.

Course Learning Outcomes

- Experiment with colour, shape, and form to design jewellery from beads, findings and other materials.
- Bend, shape and coil metal wire into ornamental jewellery pieces
- Demonstrate knowledge of essential jewellery making terminology
- Use and care for jewellery making tools in a healthy and safe manner.

Please note: To successfully complete this course, you must commit to full attendance and punctuality. You will also be required to use basic digital skills throughout the course to access and support your learning materials.

What is needed for the course?

Essential materials are included. Your tutor will advise further.

If you need any additional support, please call us: 020 8583 6000
