

Jewellery for Wellbeing: Developing Beadwork Skills

About the Course

On this course you will further your knowledge about different beads and techniques that are used to make jewellery. You will design your own pieces of jewellery, such as necklaces or bracelets, using more advanced techniques, including wirework skills.

The course is suitable for those who have already completed **Jewellery Making: Beginner Beadwork** or **Jewellery Essential Skills**

Course Learning Outcomes

- Select and use beading wire, thread, crimps, and clasps for a jewellery design.
- Demonstrate safe use of essential tools, including needles, pliers and cutters.
- Create a finished piece from your own design.

Please note: To successfully complete this course, you must commit to full attendance and punctuality. You will also be required to use basic digital skills throughout the course to access and support your learning materials.
