

Floristry Winter Wreath Workshop

About the Course

In the Floristry: Winter Wreath Workshop, learners will discover how to create a beautiful, handcrafted wreath using seasonal foliage, natural materials, and decorative accents. They will explore how to prepare and handle floristry tools safely, and learn key techniques such as wiring, layering, and securing materials to a wreath base. Through hands-on guidance, learners will apply basic design principles; like balance, texture, and colour harmony to create their own personalised wreath.
