

Pottery Handmade 3D Tiles

About the Course

This course is a part of our Pottery Specialist Programmes aimed at those who would like to learn pottery skills and techniques to pursue a career in Pottery or other related sectors within Creative Industries.

On this course you will be using and learning the hand building technique-slab-building. You will get to create a couple of handmade 3D tiles and decorate them.

Course Learning Outcomes

- Apply the slab building technique to make a couple of 3D tiles
 - Explore different decorative techniques to apply to your 3D tiles
 - Demonstrate awareness of health and safety within the pottery studio
- Please note: To successfully complete this course you must commit to 100% attendance and punctuality.**

What is needed for the course?

For health and safety reasons, you will be asked to bring your 3M Graded face mask. Please note you will **not** be allowed to complete any glazing if you do not have your own 3m graded face mask within the lesson or wear gloves provided

- 3M graded face mask for glazing (you can purchase this from any hardware store or DIY store)

We can also provide you with information, advice and guidance for employment or further learning.
