

Pottery - Hand Building: Coil

About the Course

This course is a part of our Pottery Programmes aimed at those who would like to learn pottery skills and techniques to pursue a career in Pottery or other related sectors within Creative Industries.

On this course you will be learning and using the hand building technique – coil.

Course Learning Outcomes

- Practice the coil technique
- Explore different decorative techniques to apply to your coil
- Demonstrate awareness of health and safety within the pottery studio

Please note:

To successfully complete this course, you must commit to 100% attendance and punctuality.

You must wear a face mask when applying decorative glazes for your protection.

We can also provide you with information, advice and guidance for employment or further learning.

- ▶ Please speak with your tutor or
