About the Course

This is a classroom-based workshop, which will be held at one of our venues.

Learning as a family helps children and adults to become confident, lifelong learners. It helps children develop essential skills and achieve at school. It helps grown-ups to reconnect to learning and transform their lives.

With your child, you will learn about some of the most amazing facts related to our planet. Using our latest virtual reality equipment, we will take you and your child/ren on a journey through this wonderful world.

Course Learning Outcomes

- Share amazing facts about our planet.
- Support your child to contribute to a group awareness poster to be posted on the Council's social media sites.

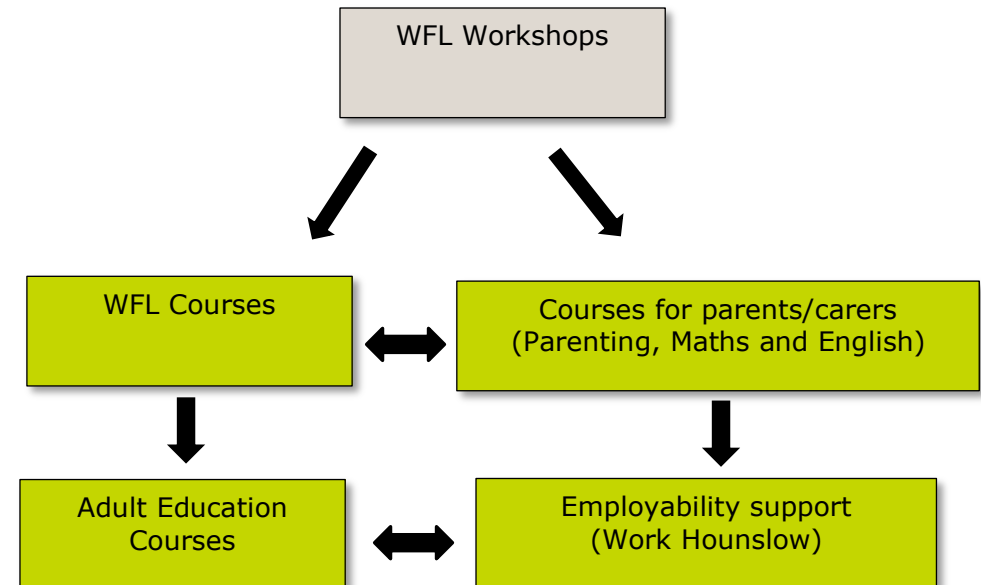

Please note: To successfully complete this workshop you must commit to 100% attendance and punctuality.

What is needed for the course?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 7 years to attend these sessions.
- Please note we can only accommodate 1 adult to 2 children per family.

If you need any additional support, please call us.
