

Free fun workshop for
parents with their
children (age 5+)

Free Volcanoes Workshop

Monday 17th February 10.00am - 12.00pm

Meadowbank in Cranford (TW5 9QX)

About the Workshop:

Join us to learn about volcanoes - how are they made? What happens when they erupt? You will have the chance to make your own mini volcano!

This session is for adults and children to learn about the science and the geography behind volcanoes. You will also have fun trying to recreate a mini eruption.

What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 5 to attend this session. **NO BABIES ARE ALLOWED.**
- **Please note we can only accommodate 1 adult to 2 children per family.**
- We recommend you wear old clothes.
- It is important that you book your place on our workshop in advance.
- If you or your child need any extra assistance within the class, please be sure to let our staff know when you enroll.
- **Please bring along some small, clean, empty drinks bottles and a cardboard box.**

You can pick up an enrolment form from your child's school office.

Visit www.hace.ac.uk for more information or call 020 8583 6000 to book your place (quote code MM199LRB)
