

Free fun workshop for  
parents with their  
children (age 5+)

# Free Science Workshop

## Light & Bubbles

Monday 17th February 1.00 - 3.00pm

Meadowbank in Cranford (TW5 9QX)

### About the Workshop

Come and explore the magic of light and learn about reflection and refraction through prisms, including bubbles as prisms!

Our workshops are practical and bring the fun to science.

Try your hand at different light and bubble based experiments and learn topics and techniques that can help support your child's school curriculum.

This session is for adults and children to learn together about science phenomena that are exciting and fun. You and your child will be given an opportunity to try several exciting science experiments.

### What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 5 to attend this session. **NO BABIES ARE ALLOWED.**
- **Please note we can only accommodate 1 adult to 2 children per family.**
- It is important that you book your place on our workshop in advance.
- If you or your child need any extra assistance within the class, please be sure to let our staff know when enrolling

You can pick up an enrolment form from Meadowbank or Kingsley Academy.

Visit [www.hace.ac.uk](http://www.hace.ac.uk) for more information or call 020 8583 6000 to book your place (quote code MM199LTB)
