

## Makeup -Henna for Brides

### About the Course

Build your confidence in making and applying Henna. You will learn how to make henna using a mix and how to apply it using complex henna patterns and shapes. The course will allow you to be more confident in applying henna on yourself as well as others. The course is ideal for learners who have completed the Intermediate henna course or those with experience.

**Please note any allergies to henna need to be declared beforehand and a patch test would be carried out at the start of the course.**

### Course Learning Outcome

- Learn how to use different Henna techniques for brides.
- Understand the different shapes and patterns used in a complex henna design for brides.
- Apply Henna on yourself and others confidently.

### What is needed for the course?

For health and safety reasons, you will be asked to bring the following:

- Wipes for your hands.
- Cotton buds/pads or wool balls.

***If you need any additional support, please call us.***
