

## Level 2 Certificate in Art and Design- Illustrations

---

### About the course

This is a qualification course awarded by NCFE <https://www.ncfe.org.uk/> the detailed information about the qualification can be found in the qualification specification ( please follow the link below).

<https://www.qualhub.co.uk/media/11326/l2-c-art-and-design-500-8988-2-qual-spec-issue-41docx.pdf>

This qualification is designed for learners who wish to develop a range of skills and techniques essential for working in the art and design sector. This qualification will focus on the study of art and design, offer breadth and depth of study, incorporating a key core of knowledge and provide opportunities to acquire a number of practical and technical skills related to illustration.

***\*If you are unemployed, looking for work, and are in receipt of a means tested benefit, you do not have to pay the course fees. You will need to sign a self-declaration form stating that you are looking for a job and provide supporting evidence.***

***\*If you are in low paid employment and you earn less than £10.85p/h or £21,157.59 annual gross salary, you do not have to pay the course fees. You will need to provide proof of income, for example, this could be a wage slip within 3 months of the course start date, or a current employment contract, which states gross monthly/annual wages.***

---

### What will I learn?

**The qualification consists of the following units:**

- Investigate sources of ideas in art and design
- Explore and use art and design materials, techniques and visual language
- Produce final art and design work
- Working in the art and design industry
- Building an art and design portfolio

---

### What are the entry requirements?

- Good level of literacy to be able to produce written assignments
  - Good Digital Skills
  - There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already completed a basic non accredited community learning drawing and painting course or have achieved a Level 1 art & design qualification.
- 

### **What equipment do I need for the course?**

- The learners will do their practical work in our Art Studio and the main basic materials and resources will be provided by the centre so you can learn the requires skills and techniques.
  - Part of this course is online – please see the '**Devices and Digital Applications Required for Online Courses**' section below
  - You may wish to bring a piece of paper and a pen to take notes
- 

### **How will my learning be assessed?**

- You work will be assessed through a portfolio of evidence
  - Your tutor will give you regular verbal and written feedback to support your progression. You will submit your course work and track your learning in Google Classroom. You will participate in group discussions and receive guidance.
  - This qualification is internally and externally (by an EQA from NCFE) quality assured.
- 

### **Devices and digital applications required for online courses**

As part of this course is online, access to a computer or a laptop and a good internet connection is required. We recommend that you download Google Chrome Browser.

If you do not have a computer or a laptop but you would like to do the course, please do ask to speak to a curriculum manager, as we might be able to support you.

---

### **What can I do after completing this course?**

The suggested progression pathways after this qualification are:

- NCFE Level 3 Certificate in Art and Design
- NCFE Level 3 Certificate in Creative Craft

However, your tutor will give you a more specific advice on what you could do next at the end of the course based on your personal circumstances.
