

Pottery Handbuilding -Intermediate

About the Course

This course is a part of our Pottery Specialist Programmes aimed at those who would like to learn pottery skills and techniques to pursue a career in Pottery or other related sectors within Creative Industries.

This course is for learners who have previously completed Pottery Handbuilding for Beginners Plus

Course Learning Outcomes

- Use hand-building techniques such as pinching, coiling, slab working and using press moulds
- Experiment with decorating techniques such as glazing, slip painting and develop mark making, resist techniques exploring the visual elements of line, texture, colour and shape
- Demonstrate awareness of health and safety within the pottery studio

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

For health and safety reasons, you will be asked to bring your 3M Graded face mask. Please note you will **not** be allowed to complete any glazing if you do not have your own 3m graded face mask within the lesson or wear gloves provided

- 3M graded face mask for glazing (you can purchase this from any hardware store or DIY store)

We can also provide you with information, advice and guidance for employment or further learning.
