

WFL-Stay Away, I'm Doing Science! (5+)

About this course

This course is part of our Family Learning Programmes. There are two types of Family Learning Programmes, FEML and WFL, and this course is part of our WFL offer.

WFL Programmes are aimed to give parents / carers and their children the opportunity to explore ways as to how they can learn together in a fun way. (*for FEML course please see our FEML programme offer)

This session is for adults and children to learn together about science phenomena that are exciting and fun. You and your child/ren will be given an opportunity to try several exciting science experiments.

What will I learn?

After this course you will be able to:

- Explain why certain phenomena happen in the way they do
- Complete several science experiments working together with your children

What are the entry requirements?

- **What is required to attend the course?**
- These sessions are for adults and children to work together – parent/carer will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 5 years to attend these sessions.
- Please note we can only accommodate 1 adult to 2 children per family
- If your child needs any extra assistance within the class, please be sure to let our staff know when enrolling
