

Painting with Watercolours - Introduction

About the Course

This 6-week course is part of our creative art specialist programme designed to enable learners to develop their practice in visual arts. The course is designed for beginners who want to explore the art of watercolour painting. Through hands-on practice and guided instruction, participants will be introduced to foundational watercolour techniques, including brushwork, colour mixing, and composition. By the end of the course, students will have completed a portfolio of watercolour paintings, demonstrating their progress on the course.

Course Learning Outcomes

1. Explore a range of basic watercolour painting techniques.
2. Create a portfolio of paintings using basic watercolour painting techniques.

What is needed for this course: To successfully complete this course, you must commit to full attendance and punctuality. You will also be required to use basic digital skills throughout the course to access and support your learning materials

Essential materials will be provided. You might wish to bring more specialist equipment and material. Your tutor can advise you further.

If you need any additional support, please call us: 02085836000.

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
