

Free fun workshop for
parents with their
children (age 5+)

Free Engineering Kaleidoscopes Workshop

Tuesday 18th February 10.00am - 12.00pm

Meadowbank in Cranford, (TW5 9QX)

About the workshop:

Come and explore the magic of kaleidoscopes. Our workshops are practical and bring the fun to science and engineering.

This session is for adults and children to learn and build together and create something to take home that is exciting and fun.

What is required to join the session?

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 5 to attend this session. **NO BABIES ARE ALLOWED.**
- Please note we can only accommodate one adult to two children per family.
- If you or your child needs any extra assistance within the class, please be sure to let our staff know when enrolling.
- It is important that you book your place on our workshop in advance.
- Please start saving the inner tubes out of kitchen and toilet rolls and bring them with you.

You can pick up an enrolment form from your child's school office.

Visit www.hace.ac.uk for more information or call 020 8583 6000 to book your place (quote code MM299LWB)
