

Floristry Seasonal Arrangements

Spring

About the Course

This course is a part of our Floristry Specialist Programmes aimed at those who would like to learn Floristry skills and techniques to pursue a career in the industry or other related sectors within the Creative Industries.

This course is for complete beginners and learners with a small bit of experience in floristry. There are no specific entry requirements although some experience of flower arranging would be an advantage.

Course Learning Outcomes

- Be able to use floristry materials, tools and equipment to develop basic floristry techniques
- Create many different spring flower arrangements
- Maintain a safe working environment

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

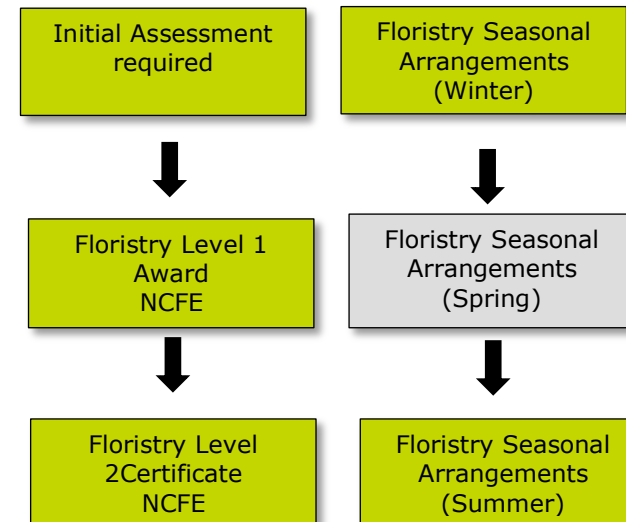

What is needed for the course: This course requires you to bring in your own flowers and foliage for each lesson. HACE will provide you with certain tools and basic materials needed for each arrangement.

For your first lesson please bring in a mix bunch of any flowers and foliage.

Throughout your course the tutor will then advise on what materials are needed for each lesson.

If you need any additional support, please call us: 02085836000.
