

Porcelain Jewellery Making for All Abilities

About the Course

This course enables learners to acquire the basic techniques to design and create a small collection of porcelain jewellery pieces including pendants. It is an opportunity for you to try new skills and see the potential in jewellery making.

Course Learning Outcomes

- To know the names and uses of basic pottery jewellery making tools.
- To use many methods of underglaze application techniques.
- To design and create finished porcelain pieces to be made into jewellery.
- To demonstrate an awareness of health and safety within the pottery studio.

Please note: To successfully complete this course, you must commit to 100% attendance and punctuality.

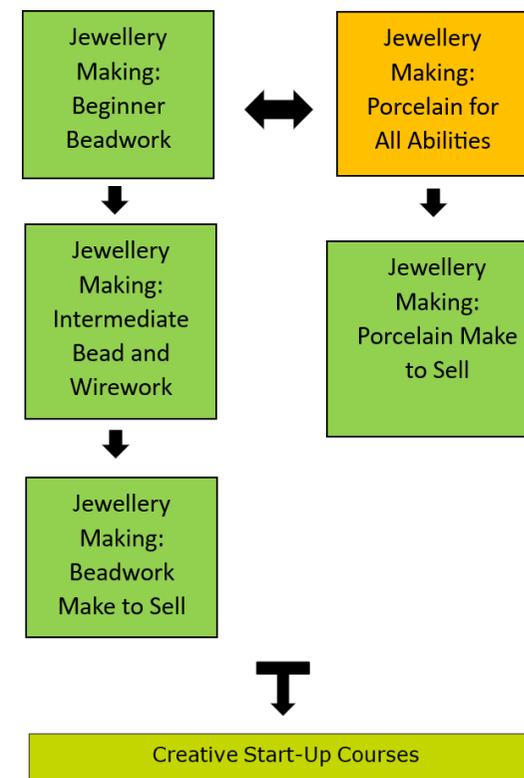

What is needed for the course?

This course is suitable for all abilities.

Essential materials are included.

If you need any additional support, please call us: 020 8583 6000

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.

- ▶ Please speak with your tutor or
- ▶ Call 020 8583 6174 to speak to an advisor or
