

Performance Skills: Preparing, Rehearsing and Performing in Theatres

About the Course

This course is a part of our Creative Writing & Drama learning programme aiming to enable you to unlock your creativity with written words, acting and stagecraft.

This practical drama course will give you the skills and confidence to work on all aspects of a theatre production from script to performance – both on stage and backstage.

Course Learning Outcomes

- To translate a playscript from the written word to the physical theatre.
- To understand what is needed practically in order to present a play on stage – including stage management, lighting, costume and props, staging, directing
- To go through the process and experience a range of practical roles including acting, directing and stage management.

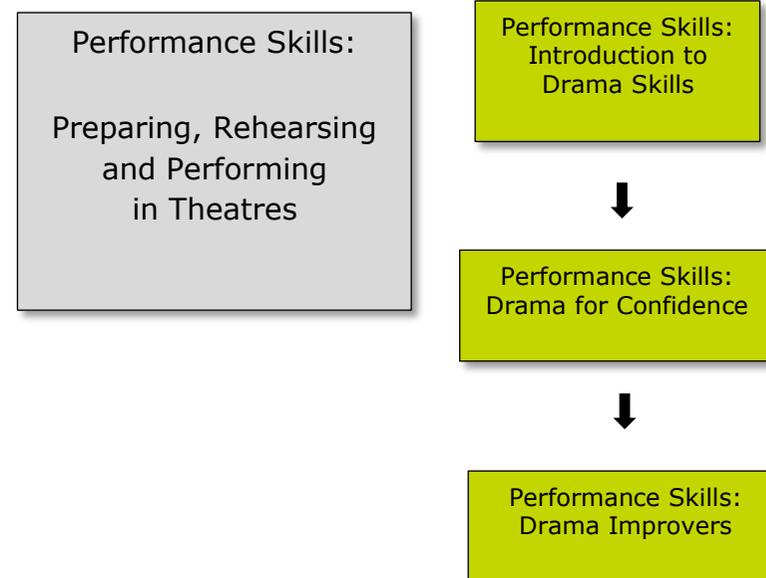

Please note: To successfully complete this course, you must commit to 100% attendance and punctuality.

What is needed for the course

This course is for beginners with some or no previous experience as well as for those who have taken performance skills/drama courses before and are now looking to further improve their performance skills/drama.

If you need any additional support, please call us: 02085836000
