

Pottery - Studio Skills: Composite Forms

About the Course

This course is part of our Pottery Specialist Program, designed for those who want to develop pottery skills and techniques to build a career in Pottery or related fields in the Creative Industries. It is intended for learners with prior experience on the pottery wheel and is not suitable for complete beginners.

Course Learning Outcomes

- Develop confidence in working with larger amounts of clay to make composite forms
- Explore finishing skills using a range of tools & techniques
- Experiment with glazing techniques
- Demonstrate awareness of health and safety within the pottery studio

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

You need to have completed the NCFE Creative Crafts Level 2 Certificate or obtained a referral from the Tutor or Programme Lead.

We can also provide you with information, advice and guidance for employment or further learning.

- ▶ Please speak with your tutor or
