

Painting for Beginners

About the Course

This 10-week painting course for beginners is designed to introduce learners to the foundational techniques, tools, and concepts of painting. Each week builds progressively, covering topics such as colour theory, brushwork, composition, and various painting mediums like acrylics and watercolours. Learners will engage in hands-on projects that encourage creativity and personal expression while developing technical skills. By the end of the course, learners will have completed several original pieces and gained confidence in their artistic abilities.

Course Learning Outcomes

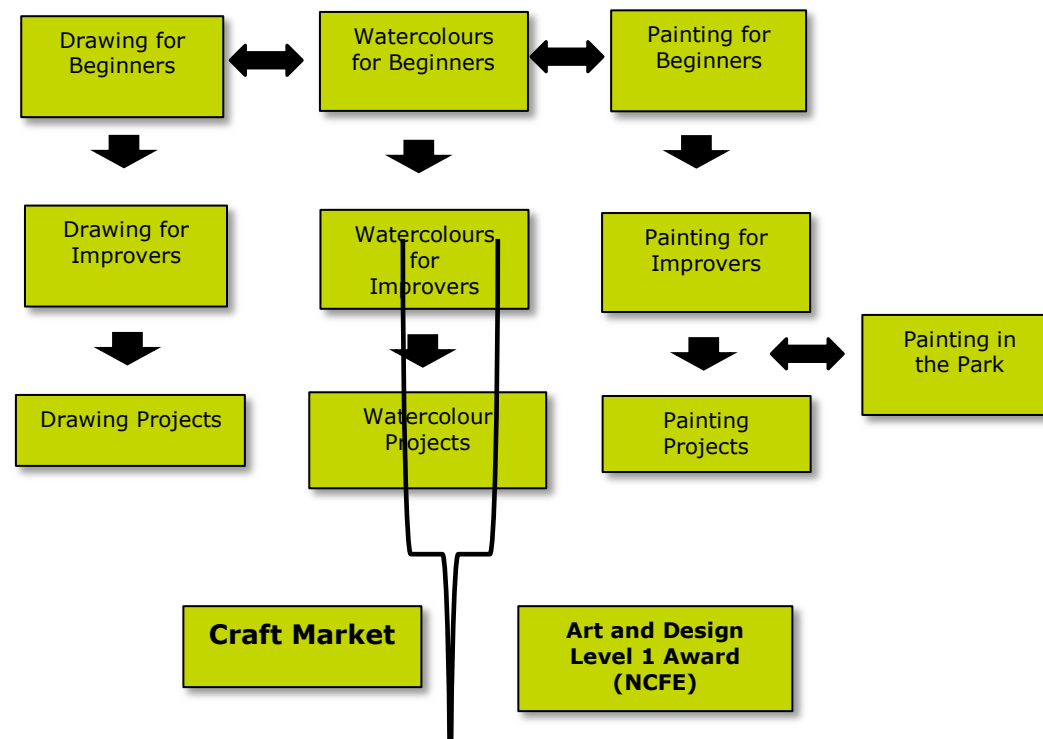

1. Explore basic painting techniques in a range of painting mediums.
2. Create a portfolio of paintings using basic painting techniques.

What is needed for this course: *To successfully complete this course, you must commit to full attendance and punctuality. You will also be required to use basic digital skills throughout the course to access and support your learning materials*

Essential materials will be provided. You might wish to bring more specialist equipment and material. Your tutor can advise you further.

If you need any additional support, please call us: 02085836000.

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
