

Pottery : Sculpting and Decorating Simple Figures

About the Course

This course is suitable for beginners with a little clay experience as well as more confident makers. Throughout the course, you will explore the fundamentals of sculpting with clay to create simple decorative figures. Using traditional handbuilding and basic sculpting tools and techniques, you will learn how to shape, assemble, and refine small three-dimensional forms, developing confidence in sculpting expressive and decorative pieces.

Course Learning Outcomes

- Demonstrate the safe and effective use of basic clay tools and handbuilding techniques to construct a simple decorative figure.
- Apply an understanding of proportion, balance, and surface detail when sculpting small three-dimensional forms.
- Glaze & Decorate your simple figure sculptures
- Demonstrate awareness of health and safety within the pottery studio

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

For health and safety reasons, you will be asked to bring your 3M Graded face mask. Please note you will **not** be allowed to complete any glazing if you do not have your own 3m graded face mask within the lesson or wear gloves provided

- 3M graded face mask for glazing (you can purchase this from any

We can also provide you with information, advice and guidance for employment or further learning.
