About the course

This course is part of our Family Learning Programmes. There are two types of Family Learning Programmes, FEML and WFL, and this course is part of our WFL offer.

WFL Programmes are aimed to give parents / carers and their children the opportunity to explore ways as to how they can learn together in a fun way. (*for FEML course please see our FEML programme offer)

With your child, you will learn about some of the most amazing facts related to endangered animals. Using our latest virtual reality equipment, we will take you and your child/ren on a journey through the jungle where you can come close to a range of different animals to learn more about them.

By the end of the course you will be able to:

- Share facts about a number endangered animals
- Support your child to contribute to a group awareness poster to be posted on the Council's social media sites

- **What is required to attend the course?**

- These sessions are for adults and children to work together - parents will need to supervise their children at all times.
- For health and safety reasons, children must be over the age of 5 years to attend these sessions.
- Please note we can only accommodate 1 adult to 2 children per family.

Who can I contact for further information?
