

Sewing Workshops: Finishing and Repairing Your Own Garments

About the Course

On this course you will be given the opportunity to make your own garments and complete your own projects with support and guidance from an expert tutor. You will refine the essential skills of transferring a pattern from paper to fabric, fitting to specific measurements and create the piece using a sewing machine.

Course Learning Outcomes

- Select a suitable fabric for your sewing project.
- Design and develop a basic draft from your specific measurements OR
- Read and follow a sewing pattern to complete your garment to your satisfaction.
- Make/complete your chosen garment.

Please note: To successfully complete this course, you must commit to 100% attendance and punctuality.

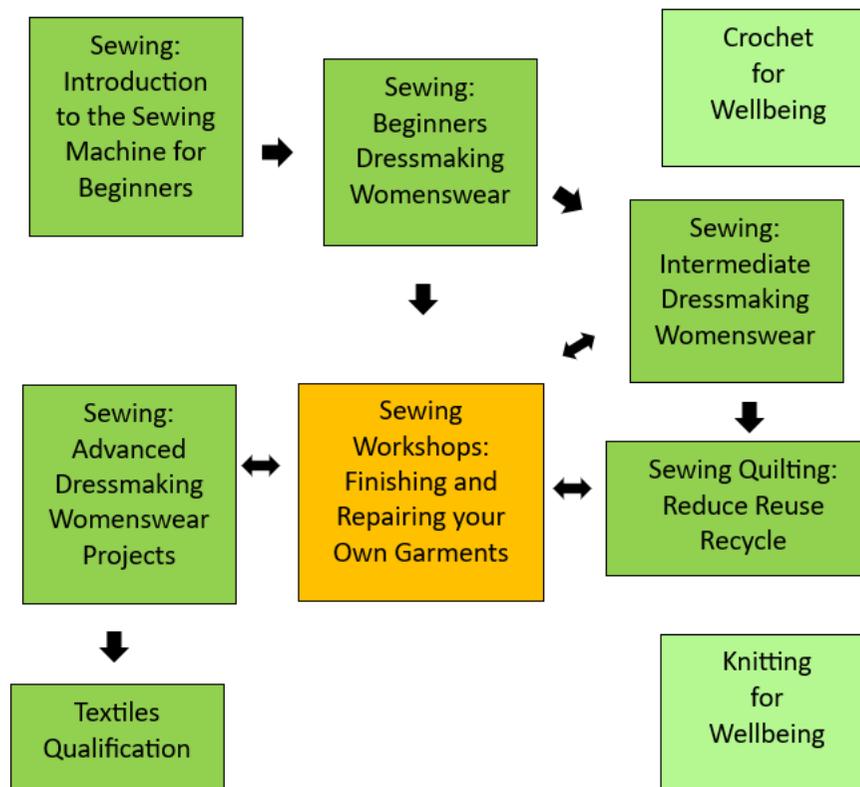

What is needed for the course?

To enrol on this course, you need essential sewing machine skills, and we recommend that you do the Sewing Dressmaking Beginners course beforehand or have experience of sewing from patterns at home.

Essential materials will be provided but you need to bring your own material and patterns to realise your project. Your tutor will advise you further.

If you need any additional support, please call us: 020 8583 6000
