

Understanding behaviour that challenges L2 certificate

About the Course

This 25-week qualification is designed to increase learners' awareness and understanding of behaviour that challenges and its effects. By completing the qualification, learners will develop in-depth knowledge of behaviour that challenges which could support progression onto other appropriate qualifications and into relevant employment in the health and social care sector. This qualification would be valuable to learners already working in education and health and social care settings.

To achieve this qualification, learners are required to successfully complete the 4 mandatory units.

- Understand behaviour that challenges
- Understand how to support positive behaviour
- Understand the importance of effective communication and the management of behaviour that challenges
- Understand the role of reflection and support for those involved in incidents of behaviour that challenges

Please note: To successfully complete this course, you must commit to 100% attendance and punctuality.

What is needed for the course?

- You will need an initial assessment, where we will ask you to complete a task.
- We will ask you some questions to be able to support you better with your studies.
- You need to have writing skills at English Level 1 or above.
- You will need internet access and an electronic device.
- There is approximately 2 - 4 hours of homework per week.

There are no specific recommended prior learning requirements for this qualification.
