

Makeup – Beginners

About the Course

Build your confidence in applying everyday makeup. You will learn about a range of makeup products and brushes, with focus on your own features. Some prior experience is needed.

Course Learning Outcomes

- Prepare and use makeup and application tools in a hygienic and safe manner.
- Identify different skin types, face shapes and eye shapes, and adjust the makeup and applications accordingly.
- Understand the function and techniques of different brushes.

Please note: To successfully complete this course, you must commit to full attendance and punctuality. You will also be required to use basic digital skills throughout the course to access and support your learning materials.

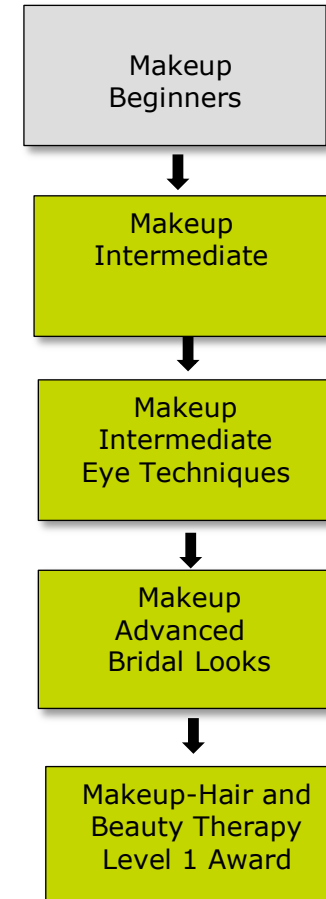

What is needed for the course?

For health and safety reasons, you will be asked to bring your own makeup and equipment which include:
