Who is this for?

There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 qualification in healthcare, social care, childcare or supporting learning.

How will my learning be assessed?

We use Google Suite for Education to record your learning journey. You will track your progress by accessing your online Individual Learning Plan (ILP), from the start to the end of the course.

Your tutor will give you regular verbal and written feedback to support your progression. You will submit your coursework and track your learning in Google Classroom. You will participate in group discussions and receive guidance. You will respond to questions and feedback face to face and in the Google Classroom. You will be assessed by your tutor or assessor using a range of methods. This will include a portfolio of evidence, written assignments or a task.

The first four weeks of the course will give you an opportunity to see how you feel about learning this way. You can see how well you are keeping up with the work and whether the course is providing you with the right level of challenge. It will also be a time for us to evaluate whether we think this is the right course for you or whether a different course would be better.

By the end of the course you will be able to:

- **Access your learning through Google Classroom**
- **Become aware of your strengths and areas for development**
- **Develop your study skills**
- Understand behaviour that challenges
- Understand how to support positive behaviour

- Understand the importance of effective communication and the management of behaviour that challenges
- Understand the role of reflection and support for those involved in incidents of behaviour that challenges

What is required to attend the course?

- You will need an initial assessment, when we will ask you to complete some tasks and we will ask you some questions to be able to better support you with your studies.
- You need to have English and maths skills at Level 1 or above.
- You need to have access to a laptop or tablet with internet, camera and microphone when the class is delivered online. Please contact us, we may be able to support you.
