

Sewing Advanced Dressmaking Womenswear: Making Trousers

About the Course

On this course you will be making a garment from a self-prepared pattern at an advanced level. You will develop the essential skills of transferring a pattern from paper to fabric, fitting to your measurements and creating the piece using a sewing machine.

Course Learning Outcomes

- Select a suitable fabric for your sewing project.
- Design and develop a basic draft from your own measurements including features like darts or princess line.
- Demonstrate the making of a basic garment.
- Read and follow sewing instructions to complete your garment to a finished standard.
- Prepare your work area in a healthy and safe way, with the equipment that you need.

Please note: To successfully complete this course, you must commit to 100% attendance and punctuality.

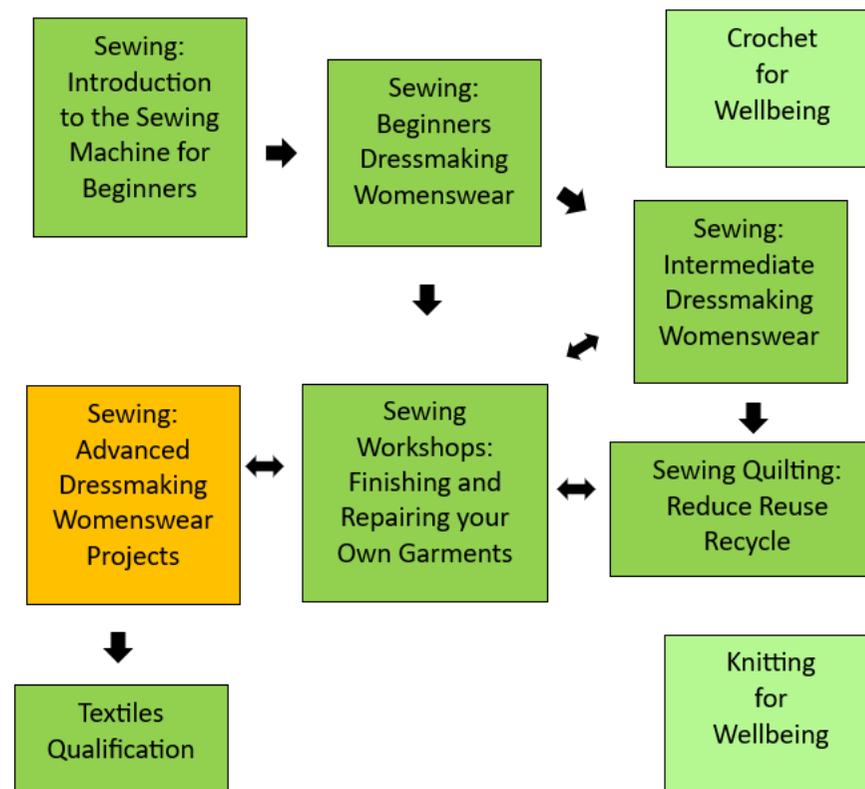

What is needed for the course?

To enrol on this course, you need essential sewing machine skills, and we recommend that you do the Sewing Dressmaking Intermediate course beforehand or have experience of sewing from patterns at home.

Essential materials will be provided but you might wish to bring your own material to realise your project. Your tutor will advise you further.
