About the course

This course is a part of our Business and Employment Learning Programmes aimed to support local residents into employment.

The course is aimed at those who are seeking new employment opportunities but have been out of employment or have not applied for a job for a longer period of time. On this course you will learn about all the basics needed when applying for jobs: from CV and cover letter writing to interview skills. You will be required to attend all 6 sessions.

If you are looking to learn about a specific aspect of a job application only (eg. Interview Skills), then one of our workshops might be more suitable for you.

What will I learn?

By the end of the course, you will be able to:

- Create a comprehensive CV
- Apply a variety of techniques to tailor your cover letter according to the role specifications
- Apply a variety of techniques to conduct a successful interview

What are the entry requirements?

- This course is for beginners with little or no previous knowledge of job applications. However, to access this course, basic digital skills are essential

What do I need to bring with me?

- This is an online course which requires access to a computer or a laptop and a good internet connection. We recommend that you download Google Chrome Browser. Please see the '**Devices and Digital Applications Required for Online Courses**' section below for more detail.
- Paper and a pen to take notes

How will my learning be assessed?

This is a non-accredited course with the intent to benefit lifelong learning. Your tutor will give you regular verbal and written feedback to support your progression. You will submit your course work and track your learning in Google Classroom. You will participate in group discussions and receive guidance.

To successfully complete the course your attendance should be a minimum of 85% and course work should be completed by the end of the course.

Devices and digital applications required for online courses
