

Make Up Artist – Beginners Skills Online

About the course

This course will introduce you to the craft of MakeUp Artistry, by building your foundation skills and build your confidence in applying makeup through hands-on experience. You will learn about a range of makeup products and brushes, with focus on your features, and ways of application.

This course is part of our specialist course offer in the beauty subject, designed to support our learners to build makeup skills for professional and personal development. This is a beginners course, open for learners with no prior experience, with the aim to go into the beauty sector as a professional pathway. After completing this course, you can enrol on a progression course with us to gain more confidence in your technical skills.

****If you are unemployed, looking for work, and are in receipt of a means tested benefit, you do not have to pay the course fees. You will need to sign a self-declaration form stating that you are looking for a job and provide supporting evidence.***

****If you are in low paid employment and you earn less than £10.85p/h or £21,157.59 annual gross salary, you do not have to pay the course fees. You will need to provide proof of income, for example, this could be a wage slip within 3 months of the course start date, or a current employment contract, which states gross monthly/annual wages.***

What will I learn?

After this course you will be able to:

- Name and identify the different skin types, face shapes and eye shapes, and how to adjust the makeup application accordingly
 - Understand the function and techniques of different brushes
 - Practice the use of the essential and classic makeup products
 - Prepare and use makeup and application tools in a hygienic and safe manner
 - Clean and store makeup and application tools in a hygienic and appropriate manner
-

What are the entry requirements?

- This course is suitable for beginners. However, to access this course basic digital skills are essential
