Course Title – Basic Digital Skills for Beginners (ESOL)

About the course

This course will help you learn basic digital skills.

This is a course for you if you have little English (Entry 1 or pre-entry ESOL) and it will help you to learn new vocabulary and learn how to use a computer to do different everyday things.

You will learn how to turn on a digital device, use a mouse, touchpad or touchscreen, log in and open a browser. You will learn about internet safety so that you can feel safe when using the internet and email.

This is *a face to face course* and we will provide devices for you to use in lessons; however, if you have a smartphone, iPad/tablet or laptop that you want to learn how to use, you can bring this to use on the course.

What will I learn?

By the end of the course you will be able to:

- Identify parts of a computer and computer screen.
- Get online using a computer or other digital device.
- Do simple internet searches safely, to find information.
- Understand the main principles of safe online shopping.
- Use a HACE email account to receive and send simple emails.

What are the entry requirements?

- This course is suitable for absolute beginners with very little or no previous knowledge of using a computer or digital device, and low levels of English.

What do I need to bring with me?

- Please bring a notebook and a pen with you, to take notes.
- If you have a device you may wish to bring it with you during the course but only if you want to.

How will my learning be assessed?

This is a non-accredited course with the intent to benefit lifelong learning. Your tutor will give you regular verbal and written feedback to support your progression. You will submit your course work and track your learning in Google Classroom. You will participate in group discussions and receive guidance.
To successfully complete the course your attendance should be a minimum of 85% and course work should be completed by the end of the course.

Devices and digital applications required for your class

We use Google Suite for Education and you will become familiar with this during the course. If you are a new learner with us, we will create an account for you. Details will be sent to your personal email, if you have one.

Your tutor will support you, in the first session and throughout the course, if you need help with any of this.

What can I do after completing this course?

- At the end of the course your tutor will discuss with you, your possible next steps.
- You can do a free Essential Digital Skills Qualification course (please call 0208 583 6000 and ask for an Initial Assessment).
- You can call us to find out about upcoming courses on 020 8583 6000 – do consider one of our Adult Skills courses or a Vocational course, as well as our many Community Learning courses.
