

Parenting: Supporting Children's Emotional Development

About the Course

This is an online course.

Parenting courses aim to help parents and carers enhance their relationship with their child, as well as a chance to share ideas with other parents and develop support skills.

This is a parenting course to support emotional attachment and security within the family.

Course Learning Outcomes

- Understand your child's emotional world by learning to read their emotional needs.
- Support your child's ability to successfully manage emotions and enhance the development of your child's self-esteem.
- Honour your innate wisdom and desire for your child to be secure.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

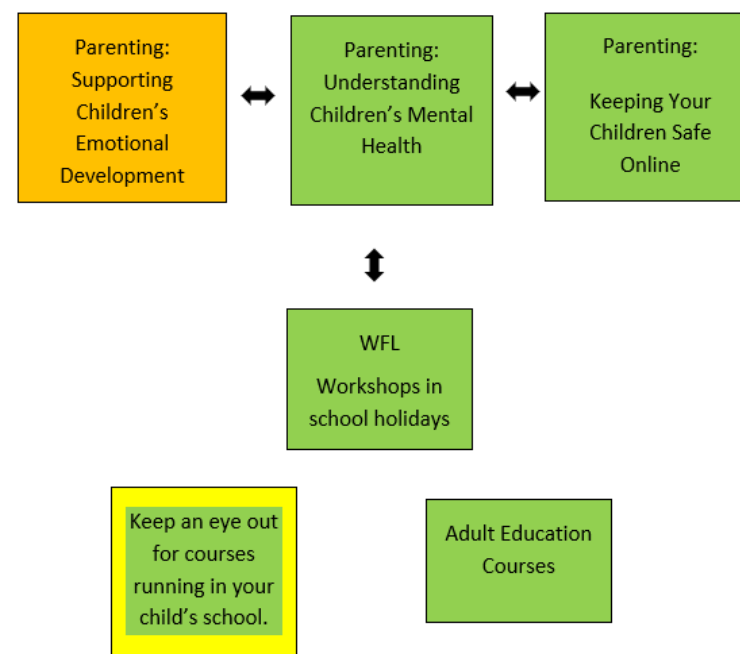

We recommend that you do only **one** of our online parenting courses **per term** due to classwork and homework commitments.

What is needed for the course?

- To be a parent/carer (ideally to have children between the ages of 0-7 years)

If you need any additional support, please call 020 8583 6000

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
