

Parenting: Supporting Children's Emotional Development

About the Course

This is an online course.

Parenting courses aim to help parents and carers enhance their relationship with their child, as well as a chance to share ideas with other parents and develop support skills.

This is a parenting course to support emotional attachment and security within the family.

Course Learning Outcomes

- Understand your child's emotional world by learning to read their emotional needs.
- Support your child's ability to successfully manage emotions and enhance the development of your child's self-esteem.
- Honour your innate wisdom and desire for your child to be secure.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

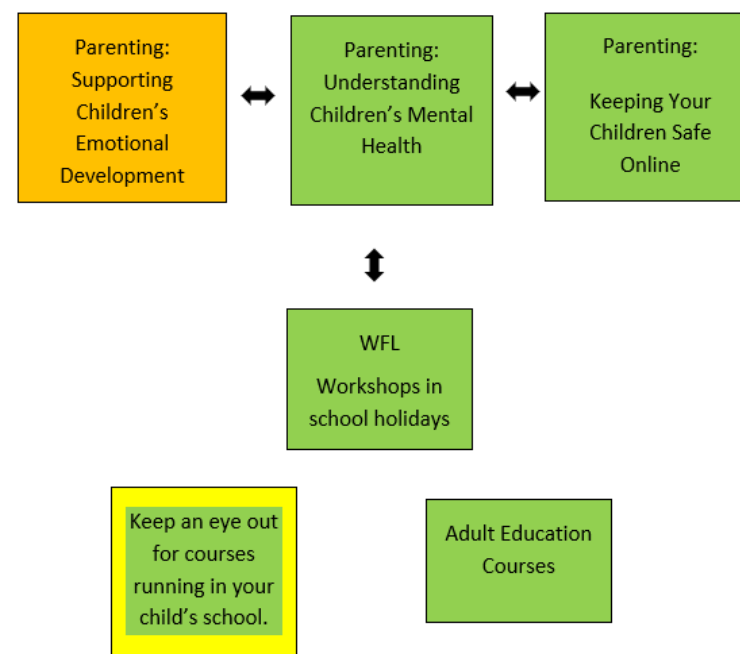

We recommend that you do only **one** of our online parenting courses **per term** due to classwork and homework commitments.

What is needed for the course?

- To be a parent/carer (ideally to have children between the ages of 0-7 years)
- Access to a computer and the internet

If you need any additional support, please call 020 8583 6000

Progression Pathway

We can also provide you with information, advice and guidance for employment or further learning.
